

IMJIN PARKWAY WIDENING & ROUNDABOUT PROJECT

Construction Activities Update September 30 – October 11, 2024

PLEASE BE ALERT! Traffic control is in place for your safety!
The enforceable speed limit through the construction zone is 25 MPH.
Preston Drive will be closed at Imjin Parkway until late October 2024.

What's Happening in the Next 2 Weeks (September 30 - October 11)?

Day Shift

- Continue installing streetlight & fiber optic conduit, and irrigation service lines between Marina Heights Drive and Imjin Road.
- Continue grading work and installation of base rock for the roadway section between Marina Heights Drive and Imjin Road.
- Continue grading and installation of base material for the bike path between Abrams Drive and Marina Heights Drive.
- Continue installing curb & gutter and median curb between Abrams Drive and Marina Heights Drive.
- PG&E to move overhead lines to new poles and remove old poles between Reservation Road and Preston Drive on 10/5.
- Begin work on storm drain at Imjin Road.
- Begin forming curb & gutter, and sidewalk at Marina Heights Drive and Imjin Road.
- Continue environmental monitoring of contractor activities job wide.

Night Shift

- Night work is planned for the installation of storm drain and water facilities crossing at the Army Reserve and Abrams Drive. This work will be scheduled for the week of October 7th or October 14th depending on work progress next week. Additional information will be provided as soon as possible.
- Night work is anticipated to pave a transition roadway west of Preston Drive. This transition will move traffic from the new roadway west of Preston Drive back over to the existing traffic lanes on the south side of the concrete barriers. This work is tentatively scheduled for the last week of October. A specific date has not yet been determined. We will provide more specific information when dates and times are scheduled.

Activities That Took Place During the Week of September 23 – September 27

- Continued backfilling retaining wall near Abrams Drive.
- Continued earthwork, grading, and placing of base rock material for roadway section between Marina Heights Drive and Imjin Road.
- Continued grading for bike path section between Abrams and Marina Heights Drive.
- Continued earthwork cut/fill on the south side of Imjin Parkway between Abrams Drive and Marina Heights Drive as well as at Imjin Road.
- Monitored contractor activities and maintenance of perimeter fencing.

IMJIN PARKWAY WIDENING & ROUNDABOUT PROJECT

Future Construction Activity and Information: What's Planned in the Future?

- Pave bike path from Reservation Road to west side of Preston Drive once the PG&E pole relocations have been completed.
- Complete drainage facilities between Reservation Road and Preston Drive.
- Reopen Preston Drive and implement new traffic pattern between Reservation Road and Preston Drive.
- Install anti-graffiti coating and railings on completed walls.
- **PG&E installed new poles on 9/21-9/23. They are scheduled to return on 10/5 to move their overhead lines to the new poles and remove the old poles. Once old poles have been removed, the contractor can complete the remaining work to allow the reopening of Preston Drive. The project team is doing everything we can to make the reopening happen as quickly as possible after the PG&E work is completed.**
