

IMJIN PARKWAY WIDENING & ROUNDABOUT PROJECT

Construction Activities Update

November 4 – November 15, 2024

PLEASE BE ALERT! Traffic control is in place for your safety!

The enforceable speed limit through the construction zone is 25 MPH.

- ❖ **Preston Drive will be closed at Imjin Parkway until late November 2024.**
- ❖ **Night work has been delayed until mid-November 2024**

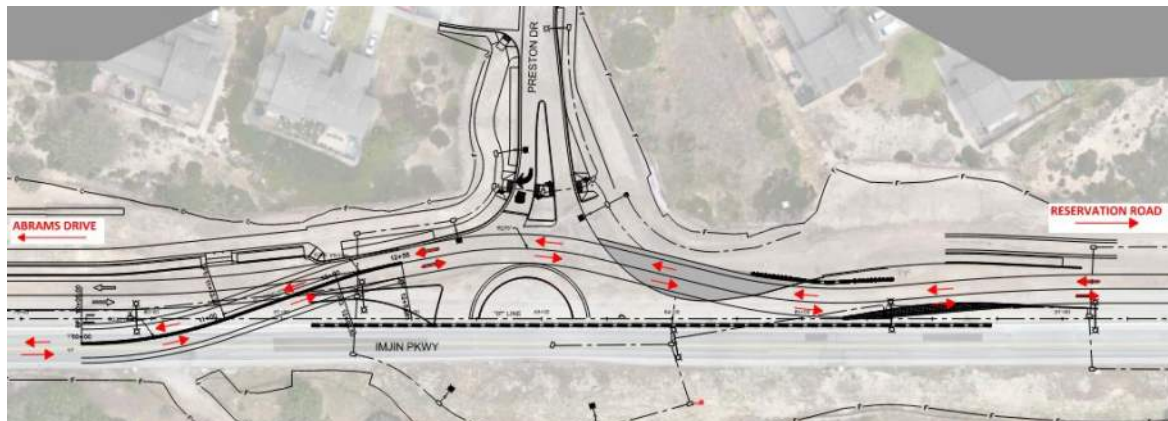

What's Happening in the Next 2 Weeks (November 4 – November 15)

Day Shift

- Continue installing streetlight & fiber optic conduit, and irrigation service lines between Marina Heights Drive and Imjin Road.
- Complete installation of streetlights between Reservation Road and Preston Drive.
- Continue Phase 1 drainage facilities for Bio swale improvements.
- Continue grading and installation of base material for Phase 1 roadway between Marina Heights Drive and Imjin Road.
- Begin installing storm drain at Abrams Drive (north leg).
- Begin restoring spineflower seedbank material in designated areas between Reservation Road and Preston Avenue.
- Prep and spray hydroseeding material on slopes between Reservation Road and Preston Drive (including areas along Preston Drive).
- Continue forming curb & gutter, and sidewalk at Marina Heights Drive and Imjin Road.
- Continue environmental monitoring of contractor activities job wide.

Night Shift - Specific dates for the night work each week have not been determined. Additional details will be provided when the specific dates have been scheduled.

- Night work is planned for the installation of storm drain and water facilities crossing Imjin Parkway at the Army Reserve. This work is scheduled for the week of November 11th for 2 nights. Hours of work will be 8:00PM – 6:00AM and will involve saw-cutting pavement, excavation equipment, and trucks. The contractor will need to have lighting for the operations but will make every effort to aim lighting away from residences. The completion of this work has been delayed and is resulting in the delay in reopening of Preston Drive. This work must be completed to accommodate the transition roadway segment west of Preston Drive which allows us to reopen Preston Drive.
- Night work is anticipated for 1 night the week of November 18th. This work will move traffic from/to Reservation Road to the new roadway section on Imjin Parkway between Reservation Road and Preston Drive. This will also open Preston Drive and the transition segment west of Preston Drive that will move traffic back to the existing traffic lanes before the signal at Abrams.

Upcoming - new traffic configuration at Preston Drive

IMJIN PARKWAY WIDENING & ROUNDABOUT PROJECT

Activities That Took Place during the Week of October 28 – November 1

- Continued earthwork, grading, and placing of base rock material for Phase 1 roadway section Marina Heights Drive and Imjin Road.
- Continued installing streetlight & fiber optic conduit, and irrigation service lines between Marina Heights Drive and Imjin Road.
- Installing pull boxes and connections for street lighting between Reservation Road and Preston Drive.
- Continued construction of Phase 1 drainage facilities for Bio Swale improvements to control storm water runoff.
- Monitored environmental monitoring of contractor activities and maintenance of perimeter fencing.

Future Construction Activity and Information: What's Planned in the Future?

- Reopen Preston Drive and implement new traffic pattern between Reservation Road and Preston Drive.
- Complete Phase 1 drainage facilities between Reservation Road and Imjin Road.

How to Stay Informed

- Please visit the project website at www.imjinparkway.com or contact Edrie De Los Santos (City of Marina) at 831.884.1212

Thank you for your patience and for observing safety speed limits!
