

IMJIN PARKWAY WIDENING & ROUNDABOUT PROJECT

Construction Activities Update January 27 – February 7, 2025

PLEASE BE ALERT!

Traffic control is in place for your safety!

The enforceable speed limit through the construction zone is 25 MPH.

❖ **Marina Heights Drive and Imjin Road** are closed at Imjin Parkway

What's Happening in the Next 2 Weeks (January 27 – February 7)

Day Shift

- Continue placement of sidewalks along Imjin Road.
- Continue installing irrigation service lines along the Imjin Road.
- Complete of ½ of the roundabout at Marina Heights Drive and Imjin Road.
- Paving operation to put down first lift of asphalt paving for Marina Heights Drive and between Marina Heights Drive and the western project limit (just west of the Imjin Road intersection).
- Begin planting trees and placing decorative boulders on slopes along Phase 1 roadway.
- Continue environmental monitoring of contractor activities job wide.

Night Shift - No night work is anticipated.

Activities That Took Place Last Week (January 19 - 24)

- Completed fine grading for roadway section on Marina Heights Drive and the section east of Marina Heights Drive to the western project limit (just beyond Imjin Road).
- Continued fine grading on Imjin Road between Imjin Parkway and southern job limit.
- Continued excavating for and install bioswale soil material along Imjin Road.
- Continued grading at SE Abrams drive embankment slope.
- Constructed curb for ½ of the roundabout at Marina Heights Drive and Imjin Road.
- Continued installing streetlight conduits and pole foundations at Imjin Road.

Future Construction Activity and Information: What's Planned in the Future?

- Relocation of a portion of an MCWD sewer force main line across from Preston Drive.
- Move into Phase 2: Switch traffic over to the newly constructed north side of Imjin Parkway to construct the south side of the roadway. This is expected to happen in late February (weather permitting).
- Re-opening (right in/right out movements) of Imjin Road in late March.
