

IMJIN PARKWAY WIDENING & ROUNDABOUT PROJECT

Construction Activities Update March 10 - 21, 2025

PLEASE BE ALERT!

Traffic control is in place for your safety!

The enforceable speed limit through the construction zone is 25 MPH.

Recommended speed through roundabouts (during construction) is 15 MPH.

❖ **Marina Heights Drive and Imjin Road** are closed at Imjin Parkway

What's Happening in the Next 2 Weeks (March 10 - 21)

Day Shift

- Continue placement of sidewalks along Imjin Road.
- Continue grinding & removal of existing roadway between Imjin Road and Abrams Drive.
- Begin earthwork/grading of roadway section between western job limits to east of Marina Heights Drive.
- Tie-in new section of sanitary sewer force main (SSFM) across from Preston Drive.
- Continue grading operations to restore slope and begin roadway section (once SSFM line is tied in to existing line).
- Continue environmental monitoring of contractor activities job wide.

Night Shift – No scheduled night work

Activities That Took Place Last Week (March 3-7)

- Began grinding and removal of existing roadway (south roadbed) between western job limit and Abrams Drive.
- Removed excess concrete barrier rail sections used in Phase 1.
- Resumed limited grading operations for slope across from Preston Drive; full grading operations will resume when SSFM tie-in is completed.
- Continued installing irrigation service lines along Imjin Parkway between Marina Heights Drive and western job limit.
- Continued placing concrete for streetlight foundations at Imjin Road.

Future Construction Activity and Information: What's Planned in the Future?

- Re-opening of Marina Heights Drive (right in/right out movements) in late March.
- Re-opening of Imjin Road (right in/right out movements) in late April.
- Closure of Abrams Drive (north side) in late March/early April.
