

## **IMJIN PARKWAY WIDENING & ROUNDABOUT PROJECT**

---

**Construction Activities Update: July 7 – July 18, 2025**

**PLEASE BE ALERT!**

**Traffic control is in place for your safety!**

**Recommended speed through roundabouts (during construction) is 15 MPH**

**The enforceable speed limit through the construction zone is 25 MPH**

- **Abrams Drive (south) – access to the Food & Fuel Mart will re-open on July 11.**
- **Imjin Pkwy to Reservation Road – double right turn has been reduced to one lane.**
- **Christina Williams Memorial – access is by escort only (info included at end of update and on the project website).**

---

### **What's Happening in the Next 2 Weeks (July 7 – July 18)**

#### **Day Shift**

- Continue tie-ins for median curbs and curb & gutter on Abrams Drive (south).
- Complete installation of streetlight electrical conduit, fiber optic conduit, and irrigation piping at Abrams Drive (south).
- Complete fine grading for base rock for south side of Imjin Parkway roadway section from the Food & Fuel Mart driveway to Preston Drive (including Abrams Drive (south)).
- Install the remaining electrical conduit on Abrams Drive (north).
- Form/place concrete for the driveway at the Imjin Lift station and bus stop pad near the Army Reserve.
- Continue installing bioswales and rock check dams between Army Reserve (south) and Preston Drive.
- Place curb and gutter for north roadway section between Retaining Wall 1 and Imjin Road.

**Night Shift** – No night work scheduled.

### **Activities That Took Place Last Week (June 30 – July 3)**

- Resumed fiber optic and electrical conduit installation at Abrams Drive (south).
- Formed/placed concrete for truck apron for Abrams Drive (south) roundabout.
- Continued installation of storm water drainage facilities between Army Reserve and Abrams Drive.
- Graded/formed/placed concrete for driveways at Christina Williams Memorial and access road west of Shell station driveway.
- Drilled/formed/placed concrete for street light foundations east of Abrams Drive (south).
- Imported/graded base rock near Army Reserve.
- Formed & placed concrete for curb & gutter, and median curb tie-ins to the curbs installed by the curb extrusion equipment between Abrams Drive and Reservation Road.
- Continued installing irrigation services on Imjin Parkway between Preston Drive and Abrams Drive.
- Resumed fiber optic and electrical conduit installation at Abrams Drive (south).
- Formed/placed concrete for truck apron for Abrams Drive (south) roundabout.
- Collection of Monterey sand gilia seedbank soils from Abrams Drive (north).
- Redistribution of Monterey sand gilia seedbank in designated area at Abrams Drive (south).

## IMJIN PARKWAY WIDENING & ROUNDABOUT PROJECT

### Future Construction Activity and Information: What's Planned in the Future?

- Coordinate PG&E work at Abrams Drive (south).
- Beginning 7/21 - pave first layer of asphalt for Imjin Parkway south roadbed from Imjin Road to Reservation Road (including Abrams Drive (south)).
- Re-open Abrams Drive (south) in mid to late August.
